In forwarding herewith draft bye laws of the Adagaru Municipal Council under 48 (a) of the Municipal Regulation for the levy of the market fees, I have the honor to state that the draft bye-laws were published in the Gazette calling for objections if any, from the people for the levy of the same, within one month of their publication. As no objections were received from the people within that date the subject was discussed at the Municipal Council meeting held on 5th February 1937 and a resolution was passed to the effect that the bye-laws may be sent to Government for sanction.

I request therefore that the bye-laws may kindly be sanctioned.

The enclosures received with the Adagaru Municipal Council President's report No. M1 149/20-37 dated 17-2-37 are sent herewith for reference.

I have the honor to be,
